

The image shows the login page of the same web application. It has the same dark header bar with the "Manage My Documents" logo, "Home" link, and "Login" button. The main content area is dark and contains a centered, light gray rectangular box. Inside this box, the word "Login" is displayed in a large, white, serif font. Below it, a smaller line of text in a white, sans-serif font says: "Enter your email and password to login." There are two input fields: the first is labeled "Email" and the second is labeled "Password", both in a small, white, sans-serif font. At the bottom of the box is a solid blue button with the word "Login" in white, sans-serif font.
